Chapter 1/1

Author's Notes:
I was severely earwormed by Hawksley Workman\'s *Striptease* one day at work. This was the result. :D

"Take it all off!" Tré mocked, echoing the screaming fans they had just left. Mike laughed as he fiddled with the stereo, sprawling comfortably once a lazy, heavy beat emerged.

Billie stuck his tongue out and unbuttoned the rest of his shirt dramatically to howls of laughter. But when his slim hips began to sway and the shirt dropped, followed by the slow drag of his belt, buckle thudding hard on the bus floor, mirth became hunger. And when his slender form shone nude in the half light, hunger became clawing need.

He opened his arms, beckoning, and they came.
